

LINECARD

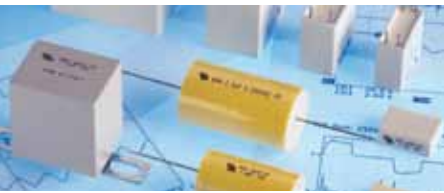

**ELDIS**

# PRODUCTS

## RESISTORS

- › Power Resistors
- › Braking Resistors
- › Carbon Composition Resistors
- › Resistor Assemblies
- › Liquid Cooled Power Resistors
- › Thickfilm Resistors
- › Special Resistors
- › Precision Resistors
- › Low Ohmic / Shunts
- › High Voltage / High Ohmic Resistors
- › Custom Designed Resistors

## CAPACITORS

- › Aluminium Electrolytic Capacitors
- › Film Capacitors
- › Super (Ultra) Capacitors
- › Motor Run Capacitors
- › Power Electronics Capacitors
- › Discharge Capacitors
- › Safety Capacitors
- › Lighting Capacitors
- › Aluminium Polymer Capacitors

## AUTOMOTIVE COMPONENTS

- › Resistors
- › Capacitors
- › Sensors
- › Potentiometers
- › Ferrite Cores
- › Inductive Components

## FANS & ACCESSORIES

- › DC axial / radial
- › AC axial / radial
- › Finger Guards
- › Filter
- › Cable Connector
- › Temperature Controller
- › Fasteners

# SUPPLIER

## EMI FILTER & COMPONENTS

- › EMI Filter
- › Varistors
- › Chokes
- › Ferrite Cores
- › Inductive Components

## SMD COMPONENTS

- › SMD Resistors
- › SMD Shunts
- › SMD Capacitors
- › SMD Inductors

## POWER SEMICONDUCTORS

- › Thyristors
- › Schottky Diodes
- › Fast Recovery Diodes
- › Diode Rectifiers
- › Triacs
- › Single Phase Solid State Relays
- › Laminated Busbar

## SENSORS & POTENTIOMETER

- › Wirewound Potentiometer
- › Contactless Potentiometer
- › Conductive Plastic Potentiometer

ELDIS as well as all our suppliers are certified according to ISO 9001:2008.

Additional certificates, such as ISO 14001:2004, ISO/TS 16949:2009 depend on the supplier.

› **ELDIS**

Since 1974 we have been distributing passive electronic components on an independent and international basis focusing on power resistors, capacitors, fans and EMI components.

› **CUSTOMER ORIENTED**

Our strength is assistance with application, product modification or custom designs!

› **COMPETENT**

Our qualified team provides individual support.

› **LOYAL TO CUSTOMERS**

We hold long-term relationships with customers from various business sectors such as:

- automotive components
- renewable energie
- electromobility
- drive technology
- automation
- railway electronics
- electronic power supply
- measuring and control technology
- welding technology
- medical technology
- telecommunication

› **CERTIFIED**

ELDIS as well as all our suppliers are certified according to ISO 9001:2008. Additional certificates, such as ISO 14001:2004, ISO/TS 16949:2009 depend on the supplier.
